I, Klaus BLOCH, hereby disclaim the terminal part of any patent granted on the above-identified Patent Application, which would extend beyond the expiration of any patent granted on pending Patent Application Serial No. 10/918,334, and hereby agree that any patent so granted on the above-identified Patent Application shall be enforceable only for and during such period that the legal title to the above-identified Patent Application shall be the same as the legal title to any patent granted on U.S. Patent Application Serial No. 10/918,334, this agreement to run with any patent granted on the above-identified Patent Application and to be binding upon the grantee, its successors or assigns.

In making the above disclaimer, petitioner does not disclaim the terminal part of any patent granted on the instant Patent Application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

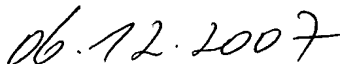

Serial No.: 10/562,108

I, the undersigned, have reviewed all the documents in the chain of title of the above-identified Patent Application and to the best of my knowledge and belief, title is in the petitioner, Klaus BLOCH.

The undersigned further declares that all statements made herein of my own knowledge is true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the Patent Application or any patent issuing thereon.

The required fee for the Terminal Disclaimer is enclosed. If there is any deficiency or overage in the Fee required, please charge or credit Deposit Account No. 19-3550. A duplicate copy of this sheet is enclosed.
